

# Everyone's Crypto Mining Partner

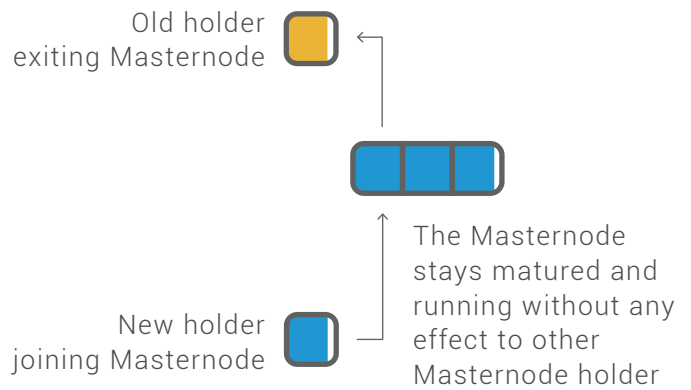

We're making crypto currency mining a lot easier and accessible for everyone who are interested in becoming miners. You will be able to be a part of the community through an uncomplicated process and start earning rewards from the get-go. We believe that honesty is gained through transparency.

## HIGHLIGHTED FEATURE

### Instant Masternode

We innovate so you don't have to wait for a masternode. Normally you need to wait for it to be filled and properly set before you start earning reward. With Honest Mining, you can start earning immediately!

## Honest Token (HNST)

is the native currency of Honest Mining Platform which will be used for all transaction activities. With HNST you will be able to join masternode, get special discount and other /usage.

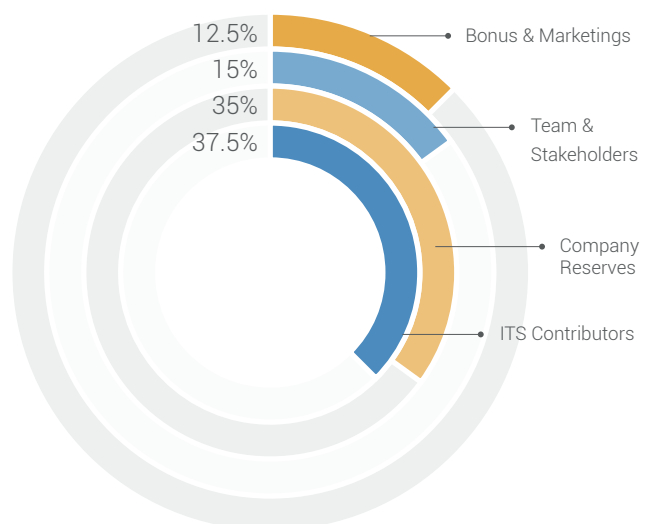

**Honest Token (HNST)** is a utility token that powers Honest Mining platform. As a start, HNST can be used for all the fees on our platform which include but not limited to:

- Masternode Maintenance Fee
- Instant Masternode Fee
- Token Listing Fee
